Part of the Animal Club Series

English
United States

Juan, Jayden, and Atreyu were three boys that were looking for swamp animals like frogs and alligators

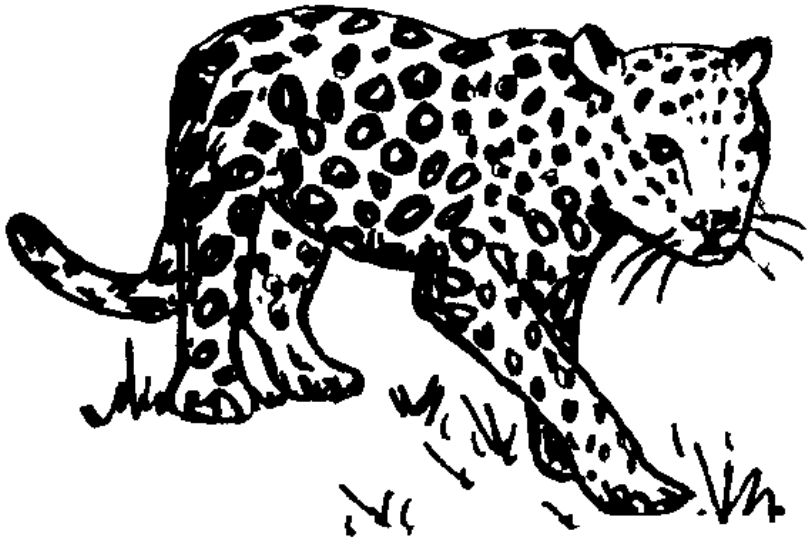

They found an alligator and a frog, and decided to stay
and learn more about swamp animals. The alligator
started swimming away and was camouflaged. The
frog climbed up the tree

When the boys in the Animal Club noticed that there was a red-eye tree frog about to get shot by an arrow, Superfrog climbed up a tree, and shot an arrow towards the swamp to distract the hunters

Super Jaguar and Super Alligator scared away the hunters and grabbed the red-eye tree frog before a fire lit. They also lured the alligator away with food

Luckily, the animal super heroes (Super Frog, Super Jaguar, and Super Alligator) came back to clean up after the fire

The swamp was back to normal
