There lived an old donkey.
The owner didn't feed the donkey, so the
donkey ran away from home.

The donkey decided to go to the city of
Bremen, and he wanted to sing songs at
Bremen.

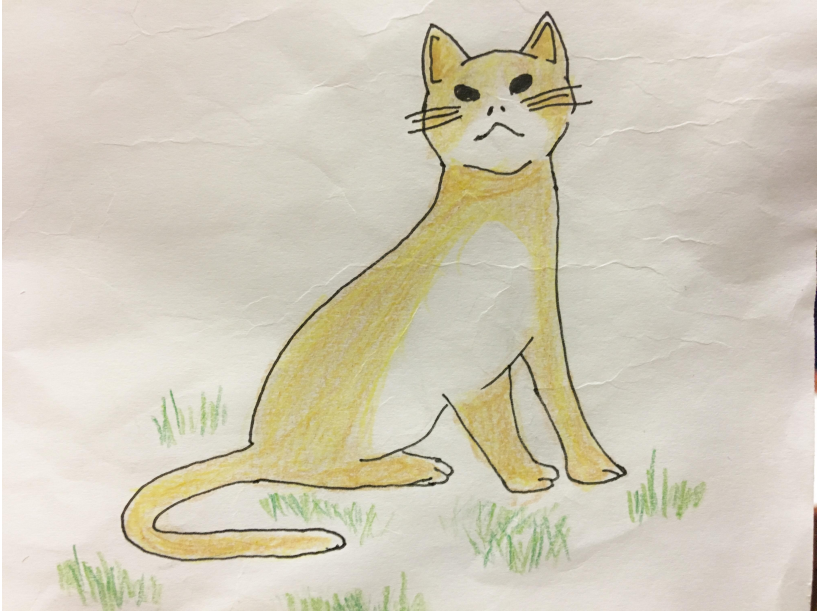

When the donkey was walking, the
donkey met an old dog.

The dog said "I can't hunt because of
age, so my owner tried to kill me. That's
why I escaped from my owner."

And then, the donkey said, "Oh, I see.
Why don't you go to Bremen with me?"

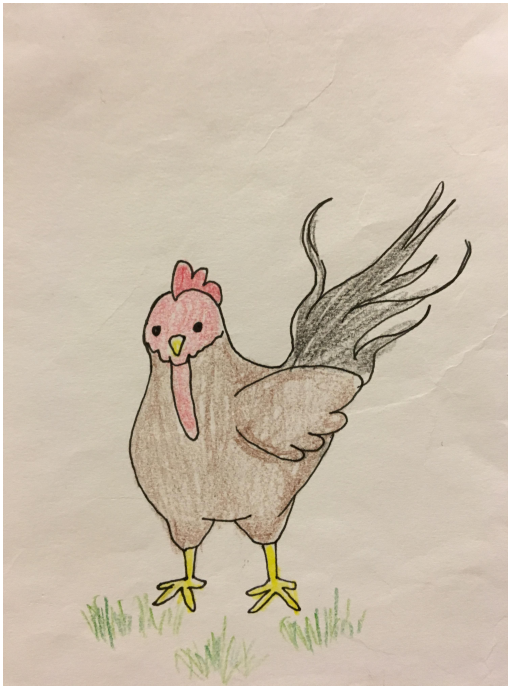

The dog said, "That's nice idea!"
They started to walk to the Bremen.

When the donkey and the dog were walking, they met an old cat.
The cat said, "I became an old cat, so I can't run fast and hunt mice. Thus, my owner tried to drown me in the water."
Then, the donkey said, "Wow, us too. Why don't you go to Bremen and play music with us?"
"The cat said, "Sure!"
They started to walk to Bremen again.

When the donkey, the dog, and the cat were walking, they met a hen. The hen said, "I could not lay eggs, so my owner tried to kill me. That's why I escaped from my cage."

The donkey said, "Really? Us too. Why don't you go to Bremen, and play music with us?" The hen answered, "What a nice dream! I will go with you."

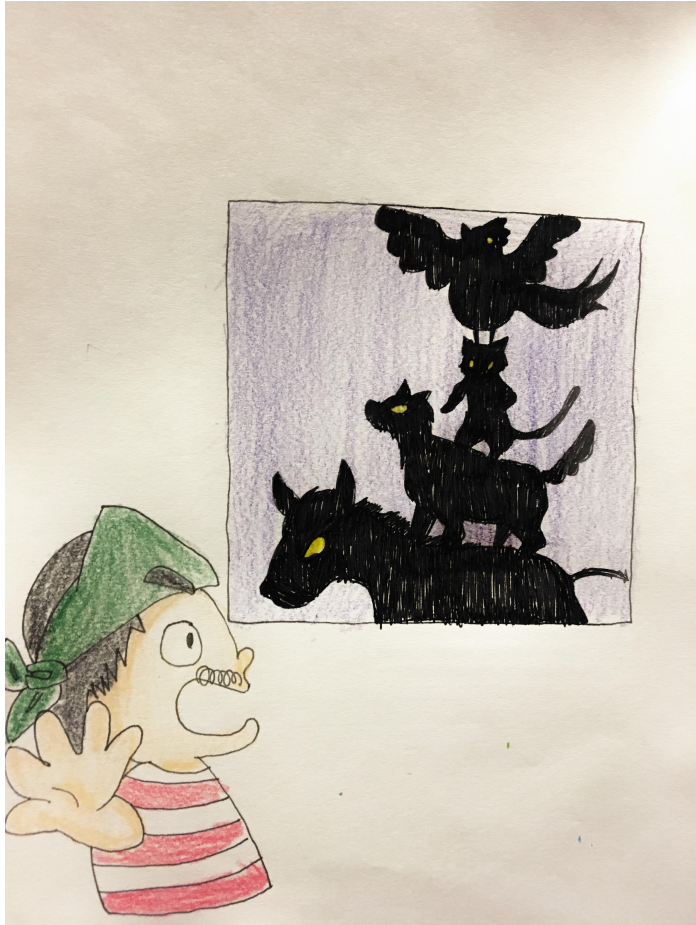

When it was getting dark, they entered a forest. They found a thief's house by chance. He was seeing treasures that he stole. The thief were eating delicious foods. The donkey and others decided to steal from them.

First, the dog rode on the donkey. Second, the cat rode the dog. Finally, the hen rode on the cat. They strongly barked at the thief.

The thief thought it was a monster.

He was scared and ran away from the house.

The donkey, the dog, the cat, and the hen lived and sang songs happily at the house.
