One day Jesus taught by
the lake-side. Lots of
people gathered to hear
Him.

The crowd became too
large. What would
Jesus do?

Seeing a boat nearby, Jesus
climbed aboard. Now He could see
the people and they could see
and hear Him.

Jesus began to tell parables - stories about ordinary things, that taught people about God.

"A farmer scattered seed on his field."
Jesus' story was like a picture with
words instead of drawings.

People could picture the farmer working
- they had seen it many times.

Some of the scattered
seed lay on a footpath.
Swoosh! Birds quickly swooped
down to gobble it up.

Some seed landed on stony parts of the field. They quickly grew into spindly puny plants. The hot sun soon shriveled them up because they could not root in the shallow soil.

Other seed had rooted among
thorns. It didn't produce grain.
The thorns crowded around the
young plants, blocking out
the needed sunshine
and rain.

The rest of the seed fell on good ground. As time passed, the shoots became healthy plants bearing plenty of new grain. The farmer must have been very happy.

At the end of the story, the disciples came to Jesus. "Why do you teach in parables?" they asked.

Jesus said parables help people understand about God if they really love Him. People who don't love God cannot understand parables.

Jesus explained the parable. He said the seed is God's Word. Seed on the footpath is like somebody hearing but not understanding

God's Word.

Satan makes them forget what God said.

Some people quickly receive God's Word.
They are like the seed on stony soil. But as soon
as somebody mocks them or makes things difficult
because they love God, a sad
thing happens.

These same people who joyfully started to follow Jesus turn away and stop obeying God's Word. They don't want to pay the price of following God. How sad that they should want to please friends rather than God!

The thorns
in the parable
are like worldly
worries and the love
for money that fill
some people's lives.
They are so busy
trying to get more
money and other
things that they
leave God out of
their lives.

But the seed that fell on good soil and gave a good harvest is like the Word of God entering hearts and changing people's lives. These people serve and honor God.

The crowds did not want to leave. Many wanted to follow God and please Him. Jesus' parables helped them to understand how to obey God.

The End

This Bible story tells us about our wonderful God who made us and who wants us to know Him.

God knows we have done bad things, which He calls sin.

The punishment for sin is death, but God loves us so much He sent His Son, Jesus, to die on a Cross and be punished for our sins. Then Jesus came back to life and went home to Heaven! If you believe in Jesus and ask Him to forgive your sins, He will do it! He will come and live in you now, and you will live with Him forever.

If you want to turn from your sins, say this to God:

Dear God, I believe that Jesus died for me and now lives again. Please come into my life and forgive my sins, so that I can have new life now, and one day go to be with You forever. Help me to live for You as Your child. Amen.

Read the Bible and talk with God every day! John 3:16
